(a) Ground truth

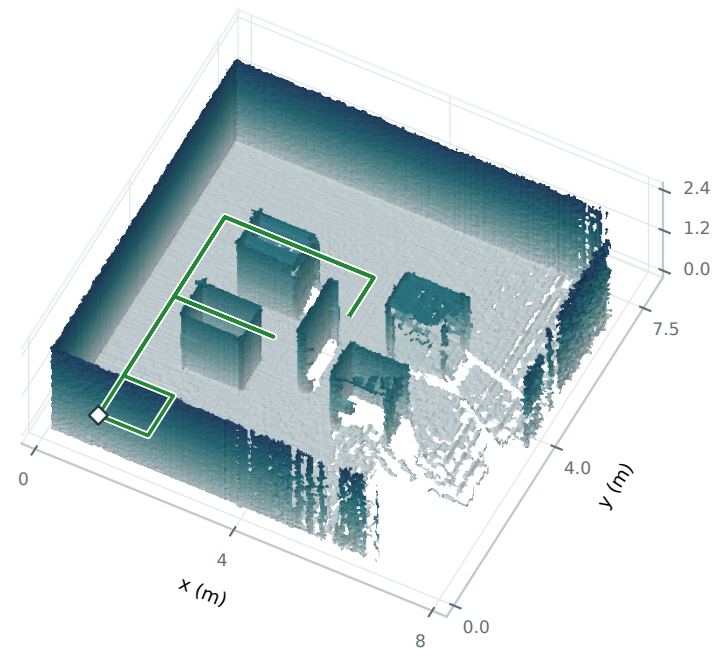

Offline geometry; no executed route

(b) G

F1 0.857 | 24.0 m

(c) S

F1 0.857 | 24.0 m
0.0 1.2 2.4
World height (m); geometric lighting, not error

G and S have exactly identical saved vertices, triangles and XY routes in this snapshot; no improvement is implied.
Full meshes, fixed scale and view. Route is an overlaid XY floor projection; height shading is not reconstruction error.
